ABOUT ME

Hello! My name is Michelle. I am the proud dog mom of Dre, the goofiest, sweetest boxer boy, and we live in the Upstate of South Carolina.

I have a bachelors degree in Communications and spent 10 years in Corporate HR. 2 years ago, I left the corporate world to be a personal trainer, and owner of 2 businesses. I am a former college athlete and kickboxing instructor, so being a personal trainer is such a fun job for me!

My businesses and my roles in HR have prepared me for this Virtual Assistant role because time management and organization is a must 😊
